

GHI: 20 years delivering news and features to the ground handling industry!

Thank you to all GHI readers, contributors and advertisers for your valued support over the last 20 years!

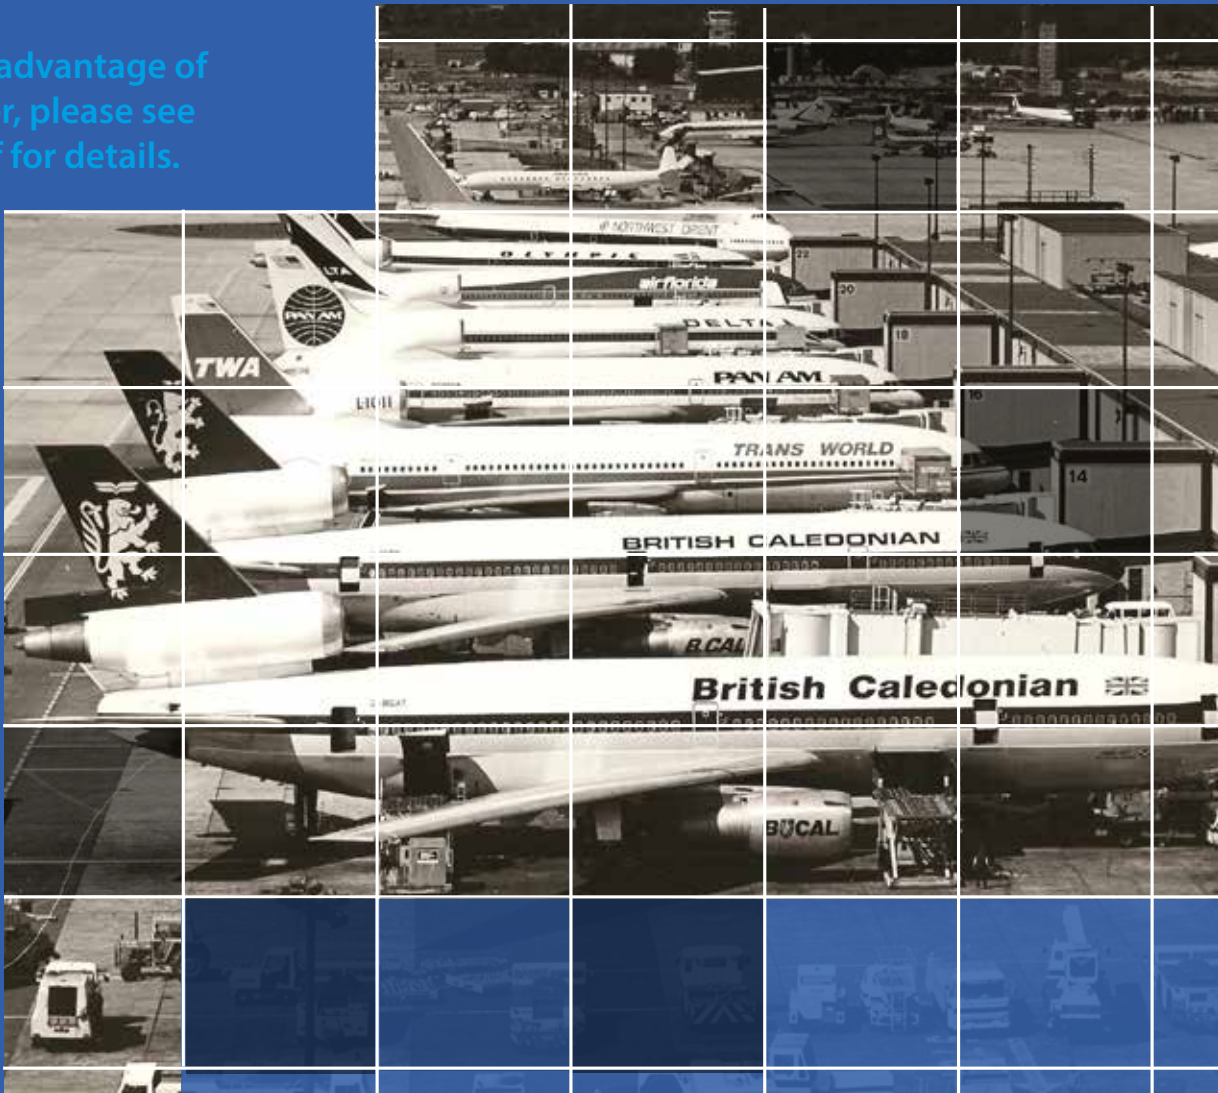

To celebrate Ground Handling International's 20th birthday we are producing a supplement covering progress in the industry over the last two decades.

The supplement will be published along with the June issue of GHI and has a retro offer for advertisers....

Advertisers – you can take advantage of the 1995 advertising rates when advertising in the supplement!

Advertise in the '20 years of GHI' celebration supplement and give your products and services the reception they deserve

To take advantage of this offer, please see overleaf for details.

Here's why

Munich International Airport.
Nothing is more important to us than good connections.

More to know why Munich International Airport is so popular with passengers? Simply see excellent connections thanks to its fine facilities as a central hub in Germany.

To the airport, Munich-based flight operators offer a large number of other international destinations and services to Munich, located at the heart of Europe, Southern Germany.

In the airport, because all departure gates are within easy reach, 24h baggage transfer from a government transfer time of 45 minutes. Or less.

From the airport, you can see other in total over 1000 take-offs and landings to and from a number of European hubs.

Or if you like, select the convenience of your choice at our Car Rental Center and see Munich in help to onwards, at ground level.

That is what Munich International Airport stands for the world.
